

# Year 1 Connected Curriculum Home Learning

## Autumn Term 2 – Once Upon a Time!

In school we are learning about the Continent Africa and how it compares to the UK. To support this at home we would like you to complete some challenges...

### Research!

#### Castles in the United Kingdom!

Can you find out what castles there are in the United Kingdom?

Use the internet to search for images and facts.

How old are they? Who lives/lived there? Where are they located?

Could you create posters for the castles with interesting facts and pictures?

### Science!

#### Grow your own beanstalk!

Can you carry out an experiment at home?

<https://www.littlepassports.com/in-the-classroom/grow-your-own-beanstalk/&~:text=Wet%20a%20large%20handful%20of,them%2C%20the%20other%20will%20grow>

Here are the instructions to grown your own beanstalk. You could grow more than one and put them in different areas of the house to see where they grow best.

Tchaikovsky - Sleeping Beauty Waltz

### Music/poetry/physical education.

Have a listen to the following pieces of music linked with Traditional tales. Can you respond to them through drawing or a piece of art? What do you think is happening in the piece? Can you think of a title for the piece? What instruments could you hear? Can you come up with movements or a dance to go to the music?

### Fairy tale arts, crafts, design and technology.

Here are some arts and crafts activities you could try at home!

- Create your own junk model palace or castle using recycled materials around the house.
- Decorate a gingerbread man.
- Bake a gingerbread house.
- Design and create your own wand for Fairy God Mother.
- Design or build a house strong enough for the three little pigs to live in.
