Hutchinson Memorial CoE School Retain Outstanding Ofsted

Following an inspection in January 2022 we are delighted that one of our first schools, Hutchinson Memorial CoE School, has retained it's Outstanding Ofsted status.

Inspectors commended the school's caring nature, teachers commitment to pupils and the broad and balanced curriculum taught to pupils across the year groups.

Trust Schools Come Together to Support Ukraine

Schools across the Uttoxeter Learning Trust have come together in aid of supporting the crisis currently happening in Ukraine.

As well as holding assemblies and prayers, at the request of many of our pupils, the schools have been collecting resources and donating money for Ukrainian Refugees.

Donations will go towards providing items such as:

Packaged Dried Foods, Toiletries, First Aid kits, Nappies, Sleeping bags, Foil Survival Blankets and Torches/Batteries.

Progress Continues On Bramshall Meadows First School

Construction of the £4.3 million first school by Midlands-based contractor G F Tomlinson is progressing as planned.

The new building is now watertight. The roof installation and cladding of the external walls have been completed.

The building is on track for opening in September. We are also excited to confirm that our first Early Years teacher has been appointed and they are looking forward to welcoming our new pupils in September.

Applications from parents and carers for nursery and reception places are continuing to be accepted.
