

# Picknalls First School

## Year 3 - Spring Term 1 - Groovy Greeks

Please help your child to explore our topic

### English

We will read ancient greek myths and legends. Theseus and the Minotaur, Apollo and Chimera, Medusa, Jason and the Golden Fleece and many more.

This will include lots of drama, speaking and listening tasks. Moving towards the children writing their own ancient greek myth.

### Maths

We will continue our multiplication and division work.

2x, 5x, 10x, 3x, 4x and 8x table facts quick recall and we will explore written methods when working with 2 digit numbers also.

We will also be learning about length and perimeter using cm, m and km.

### Music

We will continue our recorder playing and learn rhythm and tempo

### PE

Swimming and Gymnastics

### Art

Create greek vases with pattern, statue drawings and theatre masks.

### French

We will learn the names for a variety of animals.

### ICT

We will use J2e and Hour of Code to explore coding and programming.

### History

We will explore what life was like in Ancient Greek times. Gods they worshipped, homes, family roles and architecture.

### RE

Symbols of worship:

We will learn about the cross, prayer mats, roseary beads and many more.

### Science

We will learn about magnets and forces. Pushes, pulls, friction and gravity investigations and exploring how magnets work and their uses.

**RHE** Think Positively! Learning how to keep a positive mindset when overcoming difficulties.
