

# Picknalls First School

## Year 3 - Spring Term 2 - Gums to Bums

Please help your child to explore our topic

### English

We will continue to work on spelling patterns and rules. Some focus on the year 3 and 4 statutory spelling list (attached) and also homophones.

We will learn about non chronological texts such as information pages, leaflets and reports. Some time will be spent proof reading work and improving when needed.

### Music

We will continue our recorder playing and work on our own compositions.

### Design and Technology

We will design and create our own healthy snacks!

### PE

We will improve our fitness and stamina. We will work on striking and fielding skills.

### Art

We will create accurate drawings from still life. We will look at Andy Warhol's work and techniques.

### RE

We will look at special foods within different religions.

We will look at how people give up food. Food for celebrations, fasting and feasting.

### Maths

We will be working on Fractions. We will compare and order unit and non unit fractions. Count in fractions and find their equivalents using a variety of methods.

We will measure and compare different mass using kg and g. We will look at capacity and use both ml and l.

### ICT

We will use J2Blast to practise mental maths and spelling and use JiT5 branch to create databases.

### French

We will learn a popular rhyme in french. We will begin to understand and follow simple classroom instructions and count to 30.

### Science

We will learn about teeth and digestion. Food groups and a healthy balanced diet. We will explore how nutrients, water and oxygen are transported around the body.

**RHE** Keeping and Staying healthy. In mind and body.
