

# Picknalls First School

This half term the Year 2 topic will be Looking After Our World.  
Please help your child to explore this topic.

## Geography

Environmental study including, the effects of littering, pollution and how to combat it, recycling and endangered wildlife.

## Science

We will be studying environmental issues of pollution and conservation and how these affect animals and humans.

## Art

We will collage with natural materials. We will draw and paint endangered animals. We will create lots of Arts Week Friendship themed art, including sculpture, clay creations and painting in the style of Mary Cassatt.

## Music

We will be learning songs on the theme of friendship and building in percussion accompaniment.

## R.E. and R.H.E

We will explore story telling through sacred writings, focussing on the Bible and the Quran. R.H.E. Topics Working in Our World and Looking after Our World.

I.C.T. Our topic here is Collecting, Organising and Presenting data. We will be learning how to use J2vote.

P.E. We will focus on orienteering and athletics.

## English

This half term we will be reading and writing non-chronological reports on the topic of Whales. We have a rhyming focus using the text The Snail and the Whale, and a letter writing focus using Dear Greenpeace.

We will be continuing with our daily Wandle reading and phonic lessons.

Letter formations will continue to be addressed.

## Maths

This half term our topics are Fractions and Time. We will continue to learn and apply the multiplication and related division facts for the 2-, 5-, 10- and 3-times tables. We will apply our knowledge to solve word problems.
