

Picknalls First School

Year 3 - Autumn Term 2 - To Europe and Beyond

Please help your child to explore our topic

English

We will read stories by the author Anthony Browne. We will study character feelings and inference. We will then research, read and write about gorillas. Please help your child at home by reading regularly and practising the year 3 and 4 spelling words.

Maths

We will be learning about addition and subtraction methods including mental, number line and column.

We will begin multiplication and division work too. You could practise the 2, 5, 10, 3 and 4 times tables.

Learning fact families will also help.
e.g. $5 \times 4 = 20$, $4 \times 5 = 20$, $20 \div 5 = 4$,
 $20 \div 4 = 5$

Music

We will be learning to play the recorder and sing Christmas songs.

Geography

We will explore local maps and ordnance surveys, use atlases to identify european countries and their capital cities.

PE

Swimming and Gymnastics

Art

Create art using various media inspired by European artists.

RE

Religion in the Home:

We will learn about religious celebrations and their similarities and differences.

French

We will learn french greetings and be able to have a simple conversation.

ICT

We will use J2e to present our work and make changes.

Science

We will continue to explore light and shadow. Moving onto scientific enquiry and practising skills such as fair testing, observing and questioning.

RHE Aiming High! Thinking about our goals.
