

Picknalls First School

This half term Year 1's topic will be On Safari
Please help your child to explore this topic;

Geography

We will be looking at identifying hot places on the map. We will discuss our homes we live in and what homes in Africa may be like and compare them.

Science

We will be looking at seasons this half term. We will observe changes across the four seasons and describe the weather associated with the seasons and how day length varies.

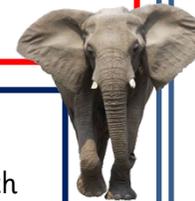

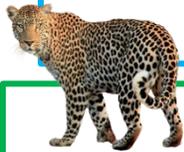

Art

Create a piece of art inspired by the artist Yayoi Kusama using space and pattern. Use previous colour mixing skills to create a safari styled scene.

P.E.

In P.E. we will be focussing on Gymnastics and dodge ball. We will be focusing on balance and ball skills.

RHE:

In RHE we will be learning about being responsible by learning that practice makes perfect and helping someone in need.

Music

Children will work with 'Aquarium' from *The carnival of the animals* by Camille Saint-Saëns to create their own pieces of music.

Maths

This half term in Maths we will be focussing on the topics of place value within 50, length and height and mass and volume. We will be using a variety of practical resources to support these topics including weighing scales, rulers, tape measures and base 10. We will also be continuing our Fluency bee programme which enables us to fill gaps and improve our mental math skills.
