

Geography

This half term, we will be looking at how to locate places on a map. We will look at the Equator and Hemispheres as well as the Arctic and Antarctic circles.

Science

This half term, we will be looking at what a healthy body looks like. We will learn about the skeleton, muscles and what a healthy and balanced diet looks like.

English

In English, we will be spending some time revising skills learnt in year 2, ensuring we are confident and ready to move onto Year 3 learning. We will learn how to move onto looking at the skills needed to write a well-structured persuasive letter. Towards the end of the half term, we will be looking at writing narratives. We will use a variety of stories to aid us with our writing. Our class read this half term will be *The Creakers*. We will use this book to practise our independent reading skills and comprehension.

P.E.

This half term, we will begin swimming at the leisure centre on Friday mornings and this will continue into the Spring Term. In our other PE lesson, we will be doing Athletics, where we

Art & DT

In Art, we will be looking at drawing, tool control, shading, observing and expression. We will look at control when drawing, drawing within proportion and using line.

RHE:

We will be looking at the Fundamental British Values which include:

- Democracy
- Rule of Law
- Individual Liberty
- Tolerance and Respect

Music.

. Invent rhythm games, explore pentatonic melodies from around the world, sing as a round, and compose ostinato accompaniments.

Maths

This half term, we will spend some time revising skills learnt in year 2. We will then move onto place value, looking at counting in hundreds and becoming confident with the number line to 1,000, compare numbers to 1,000 and find 1, 10 or 100 more or less.

We will then move onto addition and subtraction; look at adding and subtracting 100s, adding and subtracting two numbers and adding and subtracting 2 digit and 3 digit numbers.
